EDUCATION

| | |
|---|--|
| Drexel University, College of Arts and Sciences <i>Doctor of Philosophy, Clinical Psychology, Forensic Psychology Major Area of Study</i> GPA: 4.0 | Philadelphia, PA Expected May 2021 |
| <i>Master of Science, Psychology</i> GPA: 4.0 | June 2015 |
| Drexel in Argentina: Forensic Psychology Study Abroad Tour | December 2013 |
| Drexel University, Thomas R. Kline School of Law <i>Juris Doctor</i> GPA: 3.88 Class Rank: 1/111 | Philadelphia, PA Expected May 2020 |
| College of the Holy Cross <i>Bachelor of Arts, magna cum laude</i> Major: Psychology; Pre-medicine concentration GPA: 3.76 | Worcester, MA May 2011 |
| University of Oxford, St. Edmund Hall Junior Year Study Abroad | Oxford, England 2009 – 2010 |

CLINICAL EXPERIENCE

| | |
|---|-----------------------|
| <i>Psychology Extern</i> | June 2018 – Present |
| Friends Hospital, Philadelphia, PA Supervisor: Angelina Pelletier, Psy.D. <ul style="list-style-type: none">• Conduct individual and group therapy with patients on the Adolescent and General Adult Units admitted for a variety of mental health concerns, including suicidal ideation, psychosis, depression, and substance use• Attend treatment team meetings and update the treatment team as needed on patient progress in therapy | |
| <i>Student Clinician</i> | July 2017 – June 2018 |
| Drexel Re-Entry Project, Philadelphia PA Supervisor: Kirk Heilbrun, Ph.D. Peer Supervisor: Shelby Arnold, M.S. <ul style="list-style-type: none">• Conduct intake assessments regarding risk and treatment needs and deliver motivational interviewing sessions for men enrolled in the Supervision to Aid Reentry (STAR) Program (Federal Reentry Court)• Conduct individual and group cognitive skills therapy (two modules, 13 sessions each) designed to aid reentry clients in re-acclimating to society and reducing risk for future criminal behavior• Write integrated intake reports and progress notes | |

Student Clinician, Child Track

July 2017 – June 2018

Drexel Psychological Services Center, Philadelphia PA

Supervisor: Thomas Olson, Ph.D.

- Provide evidence-based therapy to child and young adult clients with a variety of mental health concerns
- Participate in weekly group or individual supervision
- Write intake reports and progress notes

Legal Intern

June 2016 – August 2016

Face to Face Legal Center, Germantown, PA

Supervisor: Niki Ludt, J.D.

- Provided legal information to low-income individuals in the Germantown neighborhood
- Assisted with preparation of Social Security (SSI/SSDI) and birth certificate applications

Incredible Years Program, Philadelphia, PA

Supervisor: Brian Daly, Ph.D.

January 2014 – April 2014

- Helped develop weekly curriculum to promote emotional and behavioral competence in elementary-aged students
- Co-taught curriculum to at-risk second grade students

RESEARCH AND POLICY EXPERIENCE

Juvenile Justice Research and Reform Lab, Drexel University, Philadelphia, PA

September 2013 – Present

Supervisor: Naomi E.S. Goldstein, Ph.D.

Evaluation Team Leader, “Pennsylvania Disproportionate Minority Contact (DMC) Youth/Law Enforcement Curriculum Evaluation”

- Analyze data from pre/post surveys administered at DMC forums to evaluate changes in attitudes and beliefs of officers and young people
- Compile data into easily digestible and visually appealing reports for stakeholders
- Oversee entry of survey data from multiple counties in PA
- Led revision of pre/post evaluation surveys

Evaluator, “Philadelphia School-based Police Diversion Program”

- Compile, restructure, and analyze data from the School District of Philadelphia and the Philadelphia Police Department usable format to evaluate the effectiveness of the program
- Assist with evaluating school-based officers’ initial and ongoing opinions and perceptions of the program
- Assisted with creation of data collection materials
- Helped coordinate distribution of evaluation materials to school-based officers
- Consulted with Philadelphia Police Department and Department of Behavioral Health staff on database development

Lab Coordinator

September 2013 – September 2015

- Supervised team of undergraduate research assistants
- Managed continuing reviews for over 15 studies
- Reviewed résumés for, interviewed, and hired research assistants
- Completed all fiscal tasks, including preparation and submission of procurement card reports and reimbursement forms
- Performed all other administrative tasks as needed

Research Assistant, “Adults’ Miranda Rights Comprehension Project”

- Acted as untrained rater and scored *Miranda* Rights Comprehension Instrument-II in accordance with manual guidelines in order to assess *Miranda* rights comprehension and intelligence in adult prisoners to establish norms for that population
- Maintain study database

DeMatteo Research Lab, Philadelphia, PA

December 2016 – June 2017

Supervisor: David DeMatteo, J.D., Ph.D.

Research Assistant

- Assessed false confession likelihood, intelligence, and suggestibility in undergraduate students as part of a dissertation study to validate the *Perceptions of Coercion Behavior During the Holding and Interrogation Process (P-CHIP)* instrument

Specialized Clinical and Criminal Justice Unit, Philadelphia Department of Behavioral Health and Intellectual disAbility Services (DBHIDS), Philadelphia, PA

Supervisors: Patricia Griffin, Ph.D. and Christina Finello, J.D., Ph.D.

Forensic Associate

July 2014 – August 2015

- Helped coordinate and implement Bureau of Justice Assistance grant to improve assessment and intervention procedures in the First Judicial District Mental Health Court of Philadelphia
- Assisted with writing and submission of grant applications
- Prepared and submitted various required federal reports
- Conducted *Hearing Voices That Are Distressing* module at Crisis Intervention Training (CIT) for Philadelphia police officers
- Assisted in implementation and management of Philadelphia Department of Behavioral Health activities and functions related to the criminal justice system
- Prepared PowerPoint presentations and internal monthly reports

Department of Psychiatry, University of Massachusetts Medical School, Worcester, MA.

Edith Nourse Rogers Memorial Veterans Hospital, Bedford, MA.

Supervisors: David Smelson, Psy.D., Debra Pinals, M.D.

Research Coordinator I

November 2012 – June 2015

Research Technician

August 2011 – November 2012

MISSION DIRECT VET (Maintaining Independence and Sobriety through Systems Integration, Outreach and Networking – Diversion and Recovery for Traumatized Veterans)

- SAMHSA-funded jail diversion program (2007-2014) for veterans with co-occurring mental health and substance abuse issues involved in the criminal justice system
- Consented, enrolled, and tracked all participants
- Conducted baseline, six-month, and twelve-month follow-up assessments with participants, which included questions pertaining to mental health, substance use, and trauma
- Communicated with multiple clinical teams for information on new referrals
- Responsible for day-to-day project operations, including communicating with PIs
- Entered study data into multiple databases
- Guided project team members through lengthy and complex process of obtaining Without Compensation (WOC) appointments at project's satellite site, the Edith Nourse Rogers Memorial Veterans Medical Center (ENRM VAMC) in Bedford, MA
- Organized and maintained all study forms including IRB regulatory documents for multiple institutions and reviewed materials prior to audits
- Participated in weekly program implementation and evaluation update phone calls
- Prepared various required federal progress reports
- Assisted with budget management and development

MISSION RAPS (Maintaining Independence and Sobriety through Systems Integration, Outreach and Networking – Re-entry and Peer Support)

- BJA-funded re-entry program (2011-2013) for medium- to high-risk female offenders with co-occurring mental health and substance abuse issues
- Responsible for drafting, submitting, and coordinating IRB applications and amendments to five different agencies' review boards as well as drafting and submitting DOJ Privacy Certificate application and Department of Criminal Justice Information Services (DCJIS) application for CORI access
- Participated in weekly program implementation phone calls

- Prepared federal progress reports and coordinated with evaluation team to ensure all data required for reports in addition to research instrumentation was collected
- Coordinated with additional external stakeholders (e.g. Massachusetts Department of Corrections, Massachusetts Department of Probation, Span, INC.) to obtain information for all applications and reports
- Assisted with budget management and development

MISSION I-RAPS (Maintaining Independence and Sobriety through Systems Integration, Outreach and Networking – Integrated Re-entry and Peer Support)

- BJA-funded re-entry program (2013-2015) for medium- to high-risk female offenders with co-occurring mental health and substance abuse issues
- Organized and ran regular program implementation phone calls with external stakeholders (e.g. Massachusetts Department of Corrections, Massachusetts Department of Probation, Span, INC.)
- Prepared federal progress reports
- Assisted with budget management and development as well as IRB submissions

Supporting Education Goals of OIF/OEF Veterans with PTSD: Pilot Process and Outcome

- Consented veterans into study, conducted baseline assessments, and regularly updated tracking log
- Submitted and maintained all IRB regulatory documents and reviewed materials prior to audits
- Trained personnel on institutional policies and project-specific procedures
- Formatted worksheets for usability in manual

I/Start: Behavioral and Neural Response to Cocaine Cue Reactivity

- NIDA-funded study investigating subjective and objective differences between high and low cue-reactive individuals who use cocaine through cue exposure, a modified antisaccade task, and fMRI
- Responsible for drafting and submitting IRB and Certificate of Confidentiality applications
- Ran weekly meetings with research staff, gathered all study materials, and met with clinicians at main recruitment site to ensure smooth start-up of study

Department of Emergency Medicine, University of Massachusetts Medical School, Worcester, MA

Supervisor: Edwin Boudreaux, Ph.D.

Research Technician

March 2011 – August 2011

PERC-03 (Psychiatric Emergency Research Collaboration-03)

- Investigator-initiated study designed to validate a 3-item suicide screener, the Patient Safety Screener, using patients recruited from three emergency departments
- Responsible for tracking and attempting to consent and enroll all patients who entered the emergency department on a particular day, including those in Emergency Mental Health
- Conducted suicide screening assessment with all eligible and willing patients
- Immediately reported individuals who screened positive to the patient's attending physician

DARSSA (Dynamic Assessment and Referral System for Substance Abuse)

- Investigated the effectiveness of immediate referral from the emergency department to local treatment facilities for alcohol and drug abuse, including tobacco
- Approached all individuals who entered the emergency department, assessed for eligibility, and enrolled eligible participants
- Conducted substance abuse screening assessment with all eligible and willing patients
- Communicated with multiple community-based treatment centers to obtain follow-up information

TEACHING EXPERIENCE

Thomas R. Kline School of Law, Drexel University, Philadelphia PA

Dean's Scholar, Torts

Fall 2016, Fall 2017

Professor: Alex Geisinger, J.D.

- Served as teaching assistant for class of 65 first-year law students. Planned and taught weekly review sessions of course material. Held weekly office hours to address student questions.

Dean's Scholar, Criminal Law

Summer 2017

Professor: Adam Benforado, J.D.

- Served as teaching assistant for class of 19 first-year accelerated law students. Planned and taught weekly review sessions of course material. Held weekly office hours to address student questions.

Department of Psychology, Drexel University, Philadelphia, PA

Teaching Assistant, Computer Assisted Data Analysis II

Winter 2017

Supervisor: Dorothy R. Charbonnier, Ph.D.

- Graded written and computer assignments and provided feedback.

Sawh, J. Harter, & D. Ziedonis, *The MISSION – Criminal Justice Treatment Manual* (pp. 32-38). Worcester, MA: University of Massachusetts Medical School.

Singer, S.C., & Pinals, D.A. (2014). Theoretical framework underlying the MISSION-CJ model. In D.A. Pinals, D.A. Smelson, L. Sawh, J. Harter, & D. Ziedonis, *The MISSION – Criminal Justice Treatment Manual* (pp. 174-182). Worcester, MA: University of Massachusetts Medical School.

PRESENTATIONS/POSTERS

Singer, S.C., Kreimer, I.R., Cole, L., Ratkalkar, M., Le, T., Jones, M., Tiger, A., Keech, B., Jasti, S., Shum, C., & Goldstein, N.E.S. (March 2018). Factors predicting recidivism following a school-based arrest: Youths' demographic characteristics and offense type. Paper to be presented at the annual meeting of the American Psychology-Law Society, Memphis, TN.

Haney-Caron, E., April, K., Goldstein, N.E.S., DeMatteo, D., Bomysoad, R., Fishel, S., Moore, C., **Singer, S.C.**, McKibben, K., Desai, A., & Ratkalkar, M. (March 2018). False confession in the lab: Questions raised from use of a novel paradigm. Paper to be presented at the annual meeting of the American Psychology-Law Society, Memphis, TN.

Singer, S.C., Ratkalkar, M., Giles, E.S., Gale-Bentz, L., Vora, S. & Goldstein, N.E.S. (March 2017). Facing the facts: What the data say about the PA DMC Youth/Law Enforcement Curriculum through the lens of the

- President's Task Force on 21st Century Policing Final Report. In K. Bethel (Chair), *Addressing DMC in 21st century policing: National and local efforts*. Symposium presented at the annual meeting of the American Psychology-Law Society, Seattle, WA.
- McKitten, R., **Singer, S.**, Wagage, S., Rizzo, M., Brogan, L., & Keech, B. (March 2017). Accomplishments and ongoing initiatives of the Pennsylvania Disproportionate Minority Contact (DMC) Youth/Law Enforcement Curriculum in the context of national issues of policing. In K. Bethel (Chair), *Addressing DMC in 21st century policing: National and local efforts*. Symposium presented at the annual meeting of the American Psychology-Law Society, Seattle, WA.
- Wagage, S., April, K., Ratkalkar, M., **Singer, S.**, & Goldstein, N. E. S. (March 2017). A call to action: National efforts to address disproportionate minority contact. In K. Bethel (Chair), *Addressing DMC in 21st century policing: National and local efforts*. Symposium presented at the annual meeting of the American Psychology-Law Society, Seattle, WA.
- Singer, S.C.**, Wagage, S., Giles, E.S., Houck, M., Corcoran, M., & Goldstein, N.E.S. (March 2016). Not all youth are bad: The effectiveness of the Disproportionate Minority Contact (DMC) Minority Youth/Law Enforcement Curriculum in changing police officer recruits' attitudes and beliefs. In N. E. S. Goldstein (Chair), *Balancing perspectives: A collaborative approach to reducing disproportionate minority contact*. Symposium presented at the annual meeting of the American Psychology-Law Society, Atlanta, GA.
- Bethel, K.J., **Singer, S.C.**, Cole, L., Simon, H., & Goldstein, N.E.S. (March 2016). 21st century policing to address Disproportionate Minority Contact (DMC) in one of the nation's largest cities. In N. E. S. Goldstein (Chair), *Balancing perspectives: A collaborative approach to reducing disproportionate minority contact*. Symposium presented at the annual meeting of the American Psychology-Law Society, Atlanta, GA.
- Wagage, S., **Singer, S. C.**, Gale-Bentz, E., Barry, M., & Goldstein, N. E. S. (March 2016). It starts with "Hello": The effectiveness of the Disproportionate Minority Contact (DMC) youth/law enforcement curriculum in changing youths' attitudes and beliefs. In N. E. S. Goldstein (Chair), *Balancing perspectives: A collaborative approach to reducing disproportionate minority contact*. Symposium presented at the annual meeting of the American Psychology-Law Society, Atlanta, GA.
- Singer, S.C.**, Brogan, L., Messenheimer Kelley, S., & Goldstein, N. (March 2015). Psychometric properties and factor structure of the perceptions of confession behavior during the holding and interrogation process. Paper presented at the annual conference of the *American Psychology-Law Society*, San Diego, California.
- Goldstein, N. E. S., Tobin, E., Haney-Caron, E., Sadadiwala, K., **Singer, S.**, & Bethel, K. (March 2015). Disrupting the school-to-prison pipeline with Philadelphia's School Police Diversion Program: A model for replication. Paper presented at the annual conference of the *American Psychology-Law Society*, San Diego, California.
- Sawh, L., Pinals, D.A., Smelson, D., Fulwiler, C., **Singer, S.**, O'Connor, K., Fisher, W., Hartwell, S., Gonzalez, G. (June 2014). Pre-military victimization and trauma among a sample of justice-involved veterans. Poster presented at the annual meeting of the *College on Problems of Drug Dependence*, San Juan, Puerto Rico.
- O'Connor, K., Pinals, D.A., Smelson, D., Sawh, L., Fulwiler, C., **Singer, S.**, Fisher, W., Hartwell, S., & Gonzalez, G. (June 2014). A needs comparison of justice-involved Iraq/Afghanistan veterans to other service areas. Poster presented at the annual meeting of the *College on Problems of Drug Dependence*, San Juan, Puerto Rico.
- Gale-Bentz, E., Houck, M., **Singer, S.**, Messenheimer-Kelley, S., Goldstein, N., Folino, J., ... & Lescano, M.J. (March 2014). Adapting Forensic Mental Health Instruments for use in Other Countries: Barriers to

Adapting the MacCAT-CA for use in Argentina. Poster presented at the annual conference of the *American Psychology-Law Society*, New Orleans, L.A.

Houck, M., Gale-Bentz, E., **Singer, S.**, Kelley, S.M., Goldstein, N. E. S., Folino, F., Leon Mayer, E., & Lescano, M. J. (February 2014). Overcoming Barriers: An Examination of the Adaptation Process of the MacCAT-CA for Use in Argentina. Poster presented at the *College of Arts and Sciences Research Day*, Drexel University, Philadelphia, PA.

Johnson, S. D., Haney-Caron, E., Kelley, S. M., Brogan, L., Gale-Bentz, E., Herens, A., **Singer, S.**, & Goldstein, N. E. S. (February 2014). The impact of gender on self-reported likelihood of true and false confessions during police interrogations. Poster presented at the *College of Arts and Sciences Research Day*, Drexel University, Philadelphia, PA.

Sawh, L., **Singer, S.**, Pinals, D., Hartwell, S., Fulwiler, C., Siegfriedt, J. & Smelson, D. (November 2013). Characterizing a sample of veterans with co-occurring disorders referred to a court-based jail diversion program. Poster presented at the annual *American Public Health Association Meeting*, Boston, MA.

Li, W.S., Kolodziej, M., **Singer, S.**, Pinals, D., & Smelson, D. (August 2013). Stakeholder perspectives on the MISSION jail diversion program. Poster presented at the *University of Massachusetts Medical School Medical Student Summer Research Program Symposium*, Worcester, MA.

Singer, S., Orvek, E., Hall, T., Hartwell, S., Pinals, D., Fulwiler, C., & Smelson, D. (April 2013). Improvement of Post-Traumatic Stress Disorder Symptoms in MISSION DIRECT VET participants. Poster presented at the *University of Massachusetts Medical School Psychiatry Research Day*, Worcester, MA.

Pinals, D., Hartwell, S., James, A., Marin, M., Smelson, D., Orvek, E., **Singer, S.** (October 2012). Veteran Diversion Participants and Premilitary Trauma. Poster presented at the annual meeting of the *American Academy of Psychiatry and the Law*, Montreal, Quebec, Canada.

Jaques, M., Matson, A., **Singer, S.**, Coleman, M., Allen, M. H., Miller, I., Boudreaux, E. (April 2012). The Psychiatric Emergency Research Collaboration-03: Validation of the Patient Safety Screener. Poster presented at the *Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine*, New Orleans, LA.

Singer, S. (December 2010). Efficacy of pharmacotherapies versus psychotherapies for the treatment of cocaine-dependent individuals. Poster presented at the *Substance Use, Misuse, & Abuse Conference*, College of the Holy Cross, Worcester, MA.

Singer, S., Nagase, H. (August 2006). Quantitative Detection of Tissue-specific Differentially Methylated Regions (TDMs) in Humans. Presentation at the annual *Roswell Park Cancer Institute Research Participation for Young Scholars Symposium*, Buffalo, NY.
